

March 5, 1976

PRESIDENT: Senator Fowler, do you wish to be recognized? Is there anything to close on this matter? Senator.... What, just move the bill. Adopt the amendments, excuse me, the Committee amendments. Record your vote. Record.

CLERK: 26 ayes, 0 nays.

PRESIDENT: They are adopted. Senator Kennedy.

SENATOR KENNEDY: First I'd like to thank all of you for letting me interrupt your schedule. To me this is most important that we proceed with this legal factor. I do appreciate it. If you have anyother questions, let's talk about it at any time you'd wish to and we'll go into details. We will be back with one more corrective amendment that I'm positive of that's being brought to us.

PRESIDENT: Senator Goodrich.

SENATOR GOODRICH: Mr. President, members of the body. I have no question on the bill. What I want to provide for though is that when the bill hits Select File that we get the usual white copy that we request ... if we request it we can get a white copy with the amendments ... the Committee amendments applied to the bill so we can read the bill and see what's in it. That's all I'm doing is requesting that the E & R Chairman apply these and give us a white copy of the bill with these amendments applied to the bill so we can read it in continuity and know what's in the bill.

PRESIDENT: The question is shall the bill be advanced. Record your vote.

SENATOR KENNEDY: As amended, thank you.

PRESIDENT: Record.

CLERK: 26 ayes, 0 nays, Mr. President, on motion to advance.

PRESIDENT: The bill is advanced. LB 805. LB 826.

CLERK: Read title to LB 826. I think Senator Rumery is gone.

PRESIDENT: Senator Schmit.

SENATOR SCHMIT: I did not visit with Mr. Rumery about this, but I would take the bill if the body decides they would want me to. I know that he would like to have the bill acted upon. He's concerned about it. I do not want to take it without acknowledgement of the body. It is not going to be a controversial bill. I think it can be handled easily when he's here. Is there anyway that we could keep the bill in order so that it does not go clear to the bottom of the list again if I do not take it?

PRESIDENT: Well the Speaker isn't here, but Senator Rumery is excused.

SENATOR SCHMIT: I would move.... I would....
